

SEYCHELLES IBC

Seychelles - International Business Company

International Business Company is a non-resident entity popularly used for offshore business and Investment activity. The whole world is their trade centre. IBC is tax exempt on profits earned outside of Seychelles and has fast emerged as the best alternative to many jurisdictions. The income earned or distributed outside the place of incorporation is also exempt from taxes.

Significant aspects of Seychelles IBC:

- High authorised share capital at no extra cost
- Bearer shares are allowed
- Minimal annual filing requirements
- Gives you a layer of protection as the names of the directors, shareholders and beneficiaries are available with your registered agents
- Excellent for business structures such as International Trade, Joint ventures, Investment Company, Holding Company, intellectual property
